

All Hands on Deck! Let's make our own Family Tree

Materials Needed:

- 1 white sheets of paper, different coloured paper, a pencil, scissors, glue and a brown crayon
- family

Instructions:

1. Take the white sheet of paper and draw the tree trunk shape.
2. Ensure that the trunk is small, in the centre and on the bottom of the page.
3. Take a coloured piece of paper and place one family members hand on it.
4. Using the pencil trace around each family member's hand.
5. Cut out the handprint
6. Repeat steps 4 and 5 with each family member.
7. At the bottom of the page, write "My *family Tree*"
8. Glue the different hands, fingers facing the edges of the page but the palm of the hand attached to the tree trunk.
9. Your family tree is complete!
